Sir,

With reference to the last sentence of para 4 of Government Proceedings No 6230-3/Edn 37-11-2 dated the 6th instant inquiring how the private building came to be erected at Malleswaram on a site reserved for the Education Department, I have the honour to inform you that the sites referred to were originally allotted for constructing dwelling houses on them Accordingly the house in question was put up After this house was built the question of providing school buildings in Malleswaram at Government cost and of selecting convenient sites for them was raised The present sites with the building on them were settled by the President of the Municipal Council and the late Inspector General Mr H J Bhabha It was then arranged to allot other sites to the owners and reserve the sites in question for the Education Department, so that the dwelling house had been constructed before these sites were reserved for school buildings

2 In this connection I beg to state that the President of the Municipal Council intimated in May 1910 that through the good offices of a Municipal Councillor Mr D Venkat Ramayya, a fair compensation of Rs 1,000/- or so would be settled for acquiring the dwelling house The President now writes to say that the owner has agreed by means of a written Mutchalika to part with the house
